<ul style="list-style-type: none"> • Good teacher • You always found ways to keep the class engaged. • Dawid is an outstanding professor with wonderful examples with each new concept he teaches. I recommend him to any student. • This was a great class. I always felt comfortable answering questions and never judged. I also learned a lot and feel very prepared for the final. The way you reviewed for the exams was great! • The class was very straightforward and interesting. I'm glad I took the class. Keep being great! • He's a great professor! Only thing is how late he responds to emails. • Great professor! Very clear on what he expects from students from the beginning and is sure that everyone understands the course material before moving on. Great at helping students get to the correct answer to ensure success in course/coursework. • Great job • Very enjoyable class. Made learning interesting. Had the perfect mix of lecture, participation, and individual work to make the class engaging. • THANK U FOR BEING AMAZINGGGGGGGGG • Professor Dawid was the best professor I had all semester. Even though this was a political class he never stated his political view which made class enjoyable and fun. I would take any of his class.
